Autumn Term Topics

In the first few weeks we will be focusing on the Islamic way of greeting and supporting children to bond with their key workers and make friendships with peers. However once the children are settled we intend to cover the following topics this term:

Islamic months- We will learn the Islamic months with Muharram being the first Islamic month and falling towards the end of August or beginning of September.

Prophet Muhammad (SAW)-We will learn about the significance of Rabi-ul-Awwal and the birth and life of the Prophet Muhammad (SAW).

Story of Prophet Eesa (A.S)-Through this topic children will be learning about the Islamic beliefs of this great prophet.

All about me- We will be learning about our bodies, senses, growth and growing up, feelings and emotions, our family and others and how we are all different but the same. We aim to develop children's understanding about respecting everyone's differences and similarities.

Health & hygiene- Children will learn about the importance of cleanliness and the importance of looking after their bodies. We will also explore viruses, how they spread and what we can do to help prevent the spread. This will be explored from a scientific and an Islamic perspective inshallah.

Seasons Autumn- the objective of this topic is to create awareness about the changes in the environment and how Allah changes the environment for each season.

This is just an overview of our topics. For more detailed information kindly refer to our weekly planning sheet on the parent notice board.

'Special Moments':

We encourage you to share 'special' things that you observe your children doing at home such as, wearing their clothes or eating independently for the first time, or talking about a friend from nursery etc. Please support us by sharing these with your child's key worker or via WhatsApp on the nursery phone. This will help us to accurately track your child's progress and development.

Spare clothes:

Please ensure that you provide spare clothes for your child in case of an accident. All clothes must be brought in a material or zipped bag. Plastic carrier bags will not be accepted as they could be hazardous for our younger children. Please label the bag clearly with your child's name. **Please ensure that the bag does not have any animated figures** as this goes against the nursery's Islamic ethos and prevents the angels from entering. **In the instance of an accident, where your child wears nursery clothes, please ensure that you return it washed and ready to be worn again.**

Islamic Nursery Rhymes this term

Allah gave us eyes....

Allah Ta'alah gave us eyes, gave us eyes, gave us eyes.
Allah Ta'alah gave us eyes so we can read the Quraan.
Allah Ta'alah gave us ears, gave us ears, gave us ears.
Allah Ta'alah gave us ears so we can hear the Adhaan.
Allah Ta'alah gave us a nose, gave us a nose, gave us a nose.
Allah Ta'alah gave us a nose so we can smell his flowers.
Allah Ta'alah gave us a tongue, gave us a tongue, gave us a tongue.
Allah Ta'alah gave us a tongue so we can taste his food.
Allah Ta'alah gave us hands, gave us hands, gave us hands.
Allah Ta'alah gave us hands so we can make our Wudhu.
Allah Ta'alah gave us feet, gave us feet, gave us feet.
Allah Ta'alah gave us feet so we can walk to the Masjid.
Allah Ta'alah gave us a heart, gave us a heart, gave us a heart.
Allah Ta'alah gave us a heart so we can love each other.
